

Eureka Child

An AID INDIA Education Initiative

What is the Education Problem in India?

Is it access to schools or teachers?

NO!! All India Out-of-school Children: 4.2%

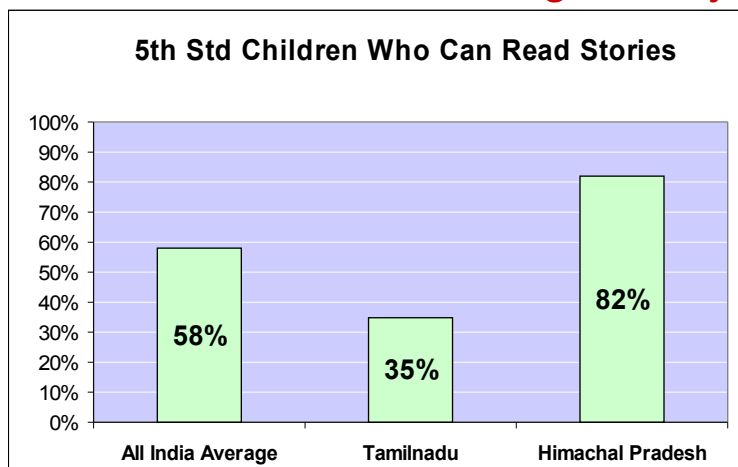

The crisis is in Learning Quality

IMAGINE the future

Of a **child** who can't read at age 10!

Of a **Nation**, if >50% of its children can't read!

This CRISIS needs URGENT Attention!

**Out of 1 million children in 5th grade
650,000 cannot read a simple story!
560,000 cannot subtract!**

Improving Learning Quality

Better Teaching Methods

Training of Govt School Teachers

Focus on Learning Outcomes

Skill evaluation & remedial classes

Effective Resource Materials

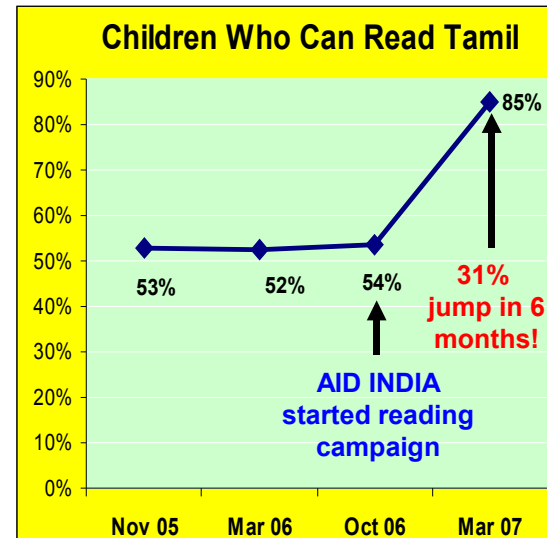

Publication of interesting stories/science/math material

Communities Involved in Children's Learning

Education Watch, Learning Festivals, Libraries

AID India Reading Pilot

450,000 children in 7,300 schools

GOAL: Scale Up & Improve Learning Quality of all **10 Million** Children in TN

A PHASED APPROACH

Year 1: 10 Districts: 7000 Schools: 1.6 M Children

Year 2: 10 Districts: 13000 Schools: 3.3 M Children

Year 3: 10 Districts: 13000 Schools: 3.3 M Children

Year 3+: 30 Districts: All Schools: 10 M Children

Cost

Per School: \$150

Per Child: \$1

Year 1: \$1 Million

Year 2 & 3: \$2 Million

Year 3+: Involve Govt to Scale up to All Schools

What you can do? Invest in India's Future... with Leverage

Children's Investment Fund (CIFF), a leading UK foundation, has rated AIDINDIA's education work to be one of the BEST in the world! They have granted a 1 to 3 matching GRANT of \$800,000 to embark on the scale up initiative.

In other words: Your contribution will be Leveraged 4x !!

Let's make Education A Reality for ALL Children
